On the Brewery Trail

Bamberg's beer history goes back to the monks' brewery in St. Michael's monastery as early as the eleventh century – parts of which you can still see in what is today the Franconian Brewery Museum on St. Michael's Hill. Ten breweries still uphold the tradition in Bamberg, brewing about 50 different sorts of beer. Experience this wonderful world of tradition and craftsmanship with the Brewery Trail: Bamberg-Rucksack, beer stein, 4 or 5 vouchers for 0.5 l beer each in the brew pubs, detailed brochure and beer mats.

Only 24.00 EUR

The Brewery Trail is also included in a three-day package deal with 2 overnights, a BAMBERGcard and a three-course brewer's meal, from 148.00 EUR p. p.

Candlelight dinner on Altenburg castle

High above Bamberg lies Altenburg castle, an incredibly romantic setting with a spectacular view across town. A very good restaurant awaits you there for a five course menu.
